CPC Announces Conference Call of Annual Meeting of Stockholders

Las Vegas, NV., April 27, 2009—CPC of America, Inc. (OTCBB: CPCF.OB), a company focused on the development of therapeutic devices that enhance the quality of patient care in endovascular procedures, announced today that it will hold a live conference call of its upcoming Annual Meeting of Stockholders to be held on May 6, 2009 at 12:00 pm Central Time.

To listen to the meeting, please dial (800) 214-0694 or (719) 955-1425 and enter passcode 142182 approximately 10 minutes prior to the start of the meeting.

A copy of the proxy materials can be found on the company's website at www.cpcmedevices.com under the Investor Relations section or at www.sec.gov. For those who cannot attend the meeting in person, questions may be submitted before the meeting to be answered on the call. Please submit questions to dede.sheel@fd.com by 2:00 p.m. Pacific time on Monday May 4, 2009.

About CPC

CPC of America develops therapeutic devices for use in endovascular procedures. CPC's current focus is the completion of development and testing of the MedClose™ vascular closure system, an internal puncture-closing system for use in catheter laboratories.
